

## Measham CE Primary School Evidencing the Impact of Primary PE and Sport Premium

Schools must use the Primary PE and Sport Premium funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. The DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

**Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.**

**Key achievements to date:**

- Achieved the School Games Gold Mark for PE in 2016/17 and maintained this standard during the 2017/18 academic year.
- Over the week all children participate in 2 hours of PE giving the children opportunities to learn and thrive in many different sports.
- Through our Happy Lunchtimes Award, our lunchtime supervisors work well to ensure that there are lots of physical activities on offer with the help of our Play Coaches and Sports Ambassadors.
- We also have a wide range of extra-curricular activities that run either before school or after school, covering a multitude of different sports and activities.
- We have raised the profile of sport in our school by running assemblies, making parents more aware via Facebook/Twitter and our school website. Now, we have more children wanting to participate in sport. We have also arranged taster sessions for the children in some 'different' sports – Archery, Fencing and Bubbles.
- This year we have won the Spirit of the Games award which is a new achievement for us. It was awarded to our Mixed Kwik Cricket team for their willingness to try their hardest, work well together as a team and being great sportspeople.
- We competed in Level 2 competitions in Tag Rugby, Kwik Cricket, Multi-sports, Football, Orienteering, Saffron Lane Athletics, Cross Country, Swimming Gala, SEN Kurling and Sports Hall Athletics.
- Teachers and Teaching Assistants have been given the opportunity to improve their knowledge and understanding of the PE curriculum by undertaking relevant CPD.
- Our Gifted and Talented KS2 children took part in 3 workshops across the year to enhance their skills and knowledge.
- Over the year we ensure that ALL children in KS2 take part in competitive sport through our intra-sport games competition.
- For those children who do not normally get the chance to play in an inter-school competition, we enter a developmental competition to encourage participation.
- As a school we took part in the Joe Wicks School Fitness Week encouraging the children and staff to take part in exercise every day.
- All classes have been involved in our Forest Schools Programme which encourages children to be active and appreciate the outdoors.

**Areas for further improvement and baseline evidence of need:**

- Ensure that more teachers (especially our NQTs) take the opportunity to undertake CPD in an area of PE over the next academic year.
- Encourage some of our less active children to stay for an after school club.
- Set up a system to track the number of children who are representing our school in an inter-school competition.
- Increase the daily activity that children receive in sport by introducing the daily mile.

<b>Meeting national curriculum requirements for swimming and water safety</b>	<b>2016-2017 cohort: 31</b>	<b>2017-2018 cohort: 27</b>
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	<b>77%</b>	<b>74%</b>
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	<b>97%</b> <i>77% when not including children who do not swim 25 metres</i>	<b>93%</b> <i>74% when not including children who do not swim 25 metres</i>
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	<b>97%</b>	<b>96%</b>
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	<b>No</b>
