

Measham Church of England Primary School Remote Learning Agreement

Measham CE Primary School aims to continue to provide an ambitious and broad curriculum in all subjects.

We have extensive plans for the provision of remote education where needed and to ensure that the small number of children that need to be educated at home, for example, due to shielding or self-isolation, are given the support they need to continue learning.

Remote education, where needed, is of a high quality and aligns as closely as possible with in-school provision.
